**Open EC Technologies, Inc.  
Announces change of Directors and Grants Stock Options**

**North Vancouver, BC, February 18, 2010** – Open EC Technologies, Inc. (“Open EC” or the “Company”) (TSX-V: OCE) announces the appointment of Roy Trivett as a director of the Company.

The company is pleased to announce Mr. Roy Trivett has joined the board of directors. Mr. Trivett founded, led and grew Architel Systems Corporation (ASC) from start-up through sale in 2000 to Nortel Networks for \$600 Million. He is a founding member of Vancouver Angel Investor Network and has held executive and board positions as CEO Visiphor Corporation, law enforcement data sharing software sold to Knowledge Computing Corporation in 2009, acting CEO, Secondsun Entertainment Inc., Playstation based computer games developer and assisted Brainchild Studios in their 3D computer animation business.

Martyn Armstrong, CEO of Open EC states, “We are pleased to have Mr. Trivett join the Open EC board where his years of technology business experience in high growth business environments will certainly benefit our company. We are looking forward to his contribution to our strategic planning, business development growth and corporate governance.”

Mr. Trivett states, “I am pleased to be working with Open EC in this exciting time in their business development. Open EC is a dynamic business, with solid management, excellent technology and has a unique potential to be a leader in the Healthcare Information Technology market”

Mr. Trivett has a Masters of Systems Engineering from Carleton University having also completed his Bachelor of Electrical Engineering, with Distinction, from the same University.

Open EC announces it has accepted the resignations of Directors, Mr William Thompson, Mr. John Versfelt and Mr. Zhigang (George) Wang. The company wishes to express its thanks for their years of service and contribution.

Open EC announces that it has, subject to regulatory acceptance, granted incentive stock options to Directors, Officer, Employees, IR Consultant and Consultant, under terms of its Stock Option Plan, granting the right to purchase up to 2,875,000 common shares of the Company at \$0.10 per share until February 16, 2015. Vesting of the investor relations options will be in accordance with TSX Venture Exchange policies.
