TEAM GOLF SELECTS OPENEC SOLUTION FOR RETAIL SUPPLY CHAIN EDI

North Vancouver, BC – Open EC Technologies, Inc. (“Open EC” or the “Company”) (TSX-V: OCE) is pleased to announce new business and sales growth for its subsidiary, SoftCare EC Solution Inc. (“SoftCare”).

Team Golf of Dallas Texas, (“Team Golf”) has selected SoftCare and its TradeLink Supply Chain EDI Solution to send/receive Electronic Data Interchange (EDI) Orders, Invoices and Advance Ship Notices to Retailers across the United States. Team Golf selected the SoftCare technology due to TradeLink’s ability to offer a fully integrated, reliable and scalable solution for their growing and challenging Retail Supply Chain business environment.

Martyn Armstrong, CEO of Open EC states: “SoftCare’s TradeLink EDI Software Solutions for the Retail Supply Chain is used by over 100 suppliers to Retailers in North America. Our solutions provide suppliers with EDI electronic connections to most major Retail chains in North America. With the challenging North American economy, many manufacturing and wholesale companies are turning to e-business technologies to gain a competitive edge and lower their operating costs”
