**Open EC Technologies, Inc.  
Announces Revenue & Technology Partnership with PracticeSuite Inc.**

**North Vancouver, BC, January 31, 2012** – Open EC Technologies, Inc (“Open EC”) subsidiary iPlexus Solutions Inc. (“iPlexus”) is pleased to announce a strategic partner revenue agreement with PracticeSuite Inc. (“PracticeSuite”) based in Silicon Valley, California. Under this agreement PracticeSuite will offer the iPlexus Claims Processing, Eligibility and Patient Statements Software Solutions through their sales network across the United States. The integrated solution will be implemented by PracticeSuite to further enhance their market leading Practice Solutions Software.

PracticeSuite is a Cloud based software company which offers a comprehensive suite of HealthCare Practice Scheduling, Medical Billing and Electronic Health Record solutions to medical billing companies, value added resellers, physicians and allied healthcare professionals in private practices across 32 specialties in over 30 states.

Vinod Nair, CEO of PracticeSuite states “We are very excited with this new relationship with iPlexus. This will enable us to offer better clearing house choices with improved technology, competitive pricing to our clients.”

William Dagher, President SoftCare/iPlexus states “We are pleased to add PracticeSuite as a strategic revenue partner, a fast growing cloud based Patient Management, Medical Billing and Electronic Health Record software company. We are looking forward to integrating our offering into the PracticeSuite Solutions creating the first combined cloud based offering for both the clearinghouse and practice management solutions. “
